Recruitment of Sub-Inspectors of Police.

READ—

Letter No. G. 2. C. 127—32-33, dated 27th August 1932, from the Inspector-General of Police, forwarding proposals for recruiting Police Sub-Inspectors during the next ten years.

ORDER NO. P. 2514-16—POL. 48-32-2, DATED BANGALORE, THE 1ST—3RD NOVEMBER 1932.

The Inspector-General of Police anticipates that 58 Police Inspectors and 50 Sub-Inspectors will retire from service in the course of the next ten years. In order to make up the decrease in the strength of the cadre of the officers and to infuse fresh blood, the Inspector-General of Police proposes to recruit Sub-Inspectors at the rate of ten a year during the next ten years. It is proposed to recruit probationers only to the grade of Sub-Inspectors so that they may get a thorough grounding in all branches of the work of the subordinate staff—men of outstanding ability and repute being promoted to the grade of Inspectors, irrespective of seniority. The educational qualification recommended for this grade is a pass in the University Intermediate Examination. The period of training will be for one year during which the probationer will be given a pay of Rs. 35 per mensem.

The necessary training to the recruits will be arranged for in the Local Police Training School. The annual cost on account of the recruits is Rs. 4,200. The Inspector-General of Police proposes to meet the expenditure involved in the scheme and the cost of additional equipments to the Police Training School from the savings expected to result under "Salaries" in the Police Budget of the current year.

The scheme of recruitment as outlined above is sanctioned. Necessary provision will be made in the budgets of the next and subsequent years on this account. The Inspector-General of Police is requested to forward an estimate of cost of equipments to be added to the Police Training School for sanction.
